How to contact the school counselor?

Students
To schedule an appointment visit the school counseling office and fill out a request form, located right inside the office entrance. Your counselor will check the appointment box throughout the day and send a pass with a date and time to see you.

Parents
School counselors welcome ongoing contact with parents and advise scheduling appointments in advance to address any issues or concerns. Please contact Noelle Hill at phone (206) 123-4567 or (hilln@rbsd.org) to schedule an appointment. Please allow 24-hour turnaround time.

What can students learn?

Through classroom guidance, small group and individual counseling students may learn about some of the following topics: respect, diversity, responsibility, conflict resolution, expressing emotions, friendship skills, study skills, organizational skills, coping strategies, getting along with others, compassion, empathy, and vocational pathways.

What do counselors do?

Five key functions:

• The first is a leadership role, advocating for the holistic development of all students.
• The second is classroom guidance; every classroom gets different guidance lessons throughout the year.
• The third is counseling, individual and small group counseling is available for all students.
• The fourth is collaboration with teachers, caregivers, students, and the community.
• The fifth is coordination of the overall comprehensive school counseling program.

Mission Statement:
To advocate for the holistic development of all students and to prepare them for an ever-changing society. To collaborate with families, communities, and fellow educators to cultivate students’ knowledge, intrapersonal and interpersonal growth and vocational pathways.

“The essence of education is to help you discover your uniqueness, teach you how to develop it, and show you how to give it away.”
